### Reach Missions

*ReachMissionTrips.org*

Ministering since 1992, Reach Mission Trips is a week-long mission of service to low-income communities. Working with local agencies and/or local churches, their mission trips seek to make an impact on home owners, communities, students, and adults who attend. It is a life-changing experience as campers participate in activities that build community and self-esteem, encourages spiritual growth, and enables them to understand their role in combating poverty. For more information, visit their website.

### Mission Discovery

*MissionDiscovery.org*

Started in 1991, over 45,000 students and adults have brought hope to situations of poverty around the world. Participants build homes for the poor, love on orphans, feed the hungry, and clothe and educate school children. They also help at Mission Discovery medical clinics and empower churches to more effectively bring hope to their communities. For more information, visit their website.
